PRO-LIFE

Sadly abortion is currently available in the UK, right up to birth, for babies with cleft lip, cleft palate and club foot. All of these conditions can be corrected. A cross-party group of MPs from the three largest parties in

the UK Parliament have come together to bring forward the Abortion (Cleft lip, cleft palate and club foot) Bill. The Bill will change the law to clarify that cleft palate, cleft lip, and club foot are not grounds for abortion in the UK. Can you help with getting your MP to support the Bill? Please visit www.standupandsmile.org.uk to email your MP asking them to support the Bill. It only takes 30 seconds.

SILENT NIGHTS IN BETHLEHEM

Christmas 2020: the hotels are empty. The streets are silent. There are usually over a million pilgrims and tourists here at this time of year. But coronavirus restrictions have completely shut down the Holy Land’s tourist industry. No Christmas tourism means no income for 80% of the people in Bethlehem. You can support a Holy Land family through the crisis this Christmas with a gift of £20, £50, £100, or whatever you can afford. Until the pilgrims and tourists return, it may be the only lifeline they get. Thank you so much. For more information about us, please visit: <https://www.friendsoftheholylan.org.uk/>

ST VINCENT DE PAUL CHRISTMAS APPEAL

Many families will face impossible choices this Christmas as SVP launch one of the most difficult Annual Appeals in our history. The way we help those in need has temporarily had to change to conform with guidelines, as is the way we are accepting donations. Christmas will be different for everyone this year but the theme “Impossible Choices” reflects the really hard situation families on low incomes face in the lead up to Christmas. If you are struggling to keep a roof over your head, how do you choose between a decent dinner or a warm house? What do you sacrifice to buy your children those precious gifts after such a tough year? If you can help you can donate online at: <https://www.svp.ie/home.aspx>

Or simply put a donation in an envelope and leave it in the parochial house. Or alternatively if you are in need or you know of someone who is experiencing difficulties, please contact us on 07508 549572.

CULTIVATING HOPE IN ADVENT

Advent is a time of waiting. Nature shows us what it means to wait. The days are shorter, creatures hibernate, growth slows, the soil rests, our attention is drawn inwards. This Winter is like no other we have experienced as our world continues to battle Covid-19. It is a time for reflection, a time to awaken to what is happening to our planet. What if during this time we prepared the ground for planting at home, in school or parish? Because we know Spring is coming. Nature is preparing for the future season of Spring and new possibilities. Can we build back better? Can we Rewild our World during this time?

‘Everything in the world is connected... As the pandemic made sure to remind us, we are interdependent on each other as well as our Mother Earth.’
(Pope Francis, TED Talk 2020)

Second Sunday of Advent: Silent but attentive God, as we light this second candle, we pray for the protection of what remains of the wilder parts of our world. Remind us, Lord, that we need wild places for the restoration of our deeper selves. Only in such places can we be drawn into harmony with Nature in its wonder, its playfulness, its surprise, its beauty and its lavishness. Lure us, Lord, into the wilderness and speak to our hearts (Hosea 2:14) so we can remember that we are all called to live with Nature as brothers and sisters and to share her gifts generously with one another. Pour out Advent Peace on us as we gather here around this Wreath. Let us be brave and active, our best gift to the world in this troubled Advent time. Amen.
