**STATEMENT FROM THE CATHOLIC BISHOPS OF NORTHERN IRELAND 7 January 2021**

**“As many people as possible stay at home for the sake of health, life and the Common Good”**

Following further briefing today by the Chief Medical Officer and the Chief Scientific Officer, and in consultation with The Executive Office, we are very concerned at the current serious public health position in which Northern Ireland finds itself: with the extremely high level of transmission of the Covid-19 virus; the continuing escalation of numbers in hospital and intensive care; the number of associated deaths; and, the increasingly unsustainable pressure

on our healthcare staff. The clear message from health officials is that this situation is going to worsen significantly over the coming weeks. We recognise the efforts of so many in our parishes who have been working to ensure that our gatherings for public worship are as safe as possible and we welcome the continuing engagement between the faith communities and the NI Executive which has led to consensus between us on the importance of people being able to gather in person for worship. At this time, however, we acknowledge and support the unequivocal message from public health authorities that the movement and gathering of people should be minimised and that as many people as possible **stay at home** for the sake of health, life and the Common Good.

In light of our ongoing consultations and of the current serious and worsening situation, and in line with clear public health guidance that people should *stay at home*, **we have decided that for a limited period (from midnight on Thursday 7 January until Saturday 6 February 2021, subject to review in late January), the celebration of the Eucharist and other liturgies should take place without the physical presence of the faithful.**

We make this decision reluctantly, conscious that not being able to gather for public worship can cause pain for all the faithful, but in the hope that this limited period of sacrifice will be for the protection of life and health and for the greater good of all. We once more ask for prayers for the sick, the bereaved and all those whose livelihoods have been particularly impacted by the pandemic. We keep in our prayers all health workers, carers, chaplains and other essential workers. We welcome the announcement that a similar position is being taken by the leaders of the Church of Ireland, the Presbyterian Church in Ireland, the Methodist Church in Ireland and many other denominations and faith communities in response to the unequivocal message from public health authorities that as many people as possible stay at home at this time.

**POPE FRANCIS’ PRAYER DURING THE PANDEMIC**

In the present tragic situation, when the whole world is prey to suffering and anxiety, we fly to you, Mother of God and our Mother, and seek refuge under your protection. Virgin Mary, turn your merciful eyes towards us amid this coronavirus pandemic.

Comfort those who are distraught and mourn their loved ones who have died, and at times are buried in a way that grieves them deeply.

Be close to those who are concerned for their loved ones who are sick and who, in order to prevent the spread of the disease, cannot be close to them.

Fill with hope those who are troubled by the uncertainty of the future and the consequences for the economy and employment.

Mother of God and our Mother, pray for us to God, the Father of mercies, that this great suffering may end and that hope and peace may dawn anew.

Plead with your divine Son, as you did at Cana, so that the families of the sick and the victims be comforted, and their hearts be opened to confidence and trust.

Protect those doctors, nurses, health workers and volunteers who are on the frontline of this emergency, and are risking their lives to save others. Support their heroic effort and grant them strength, generosity and continued health.

Be close to those who assist the sick night and day, and to priests who, in their pastoral concern and fidelity to the Gospel, are trying to help and support everyone.

Blessed Virgin, illumine the minds of men and women engaged in scientific research, that they may find effective solutions to overcome this virus.

Support national leaders, that with wisdom, solicitude and generosity they may come to the aid of those lacking the basic necessities of life and may devise social and economic solutions inspired by farsightedness and solidarity.

Mary Most Holy, stir our consciences, so that the enormous funds invested in developing and stockpiling arms will instead be spent on promoting effective research on how to prevent similar tragedies from occurring in the future.

Beloved Mother, help us to realise that we are all members of one great family and to recognise the bond that unites us, so that, in a spirit of fraternity and solidarity, we can help to alleviate countless situations of poverty and need. Make us strong in faith, persevering in service, constant in prayer.

Mary, Consolation of the afflicted, embrace all your children in distress and pray that God will stretch out his all-powerful hand and free us from this terrible pandemic, so that life can serenely resume its normal course.

To you, who shine on our journey as a sign of salvation and hope, do we entrust ourselves, O Clement, O Loving, O Sweet Virgin Mary.

Amen.
