#### PARISHIONERS – OPPORTUNITIES TO HELP

Called to Serve Are any of you interested in getting a little more involved in Parish life without it being too big a commitment?

If anyone is thinking "what could I do?" we are inviting interest in two areas; the Church Carers group and the Hospitality group.

Church Carers is a group who help to keep the church and public areas clean, creating and maintaining a welcoming environment for all who use and visit our church.

The Hospitality group consists of people with different roles who can add to our social events such as coffee mornings. Some people like to bake or make sandwiches, some enjoy preparing the venue for the event, while others like to help serve during the event.

If you would be happy to get involved in either group, please send a text with your name and the group you would like to join to 07724092063

We are deeply grateful to the many people who have for many years, and continue to be, actively involved in Parish life as well as new parishioners who have already kindly offered their help. We thank you and we are delighted to welcome you all. Getting involved helps build our Parish community and gives us all an opportunity to serve God, and each other. It is rewarding work and a great way to integrate and make new friends. Thank you, on behalf of the Parish Pastoral Council...
